

NEW VIEW TO MEDICAL SERVICE

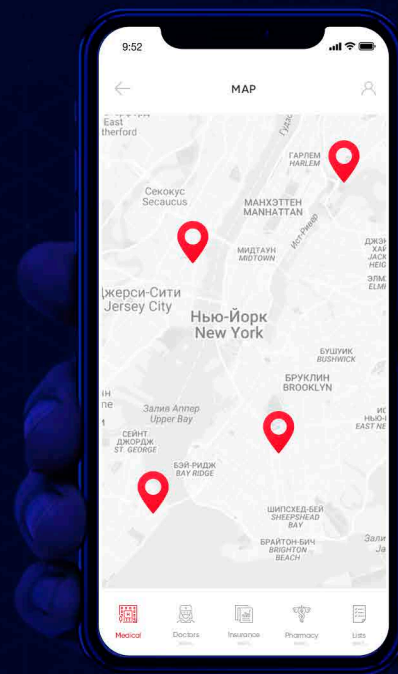

Why ATLANTICO NETWORK platform is useful and necessary:

Imagine the situation: you go on vacation with children to another country and your child suddenly got an earache and fever, you urgently need a doctor's advice, how will you act? Where to go?

Installing the mobile app ATLANTICO NETWORK you will be able to find all nearby medical centers

and where you can find a doctor, the rating of these doctors and reviews of patients, this way you will be able to make the right choice, to sign up through the app to visit him and pay with a discount from price-list of a medical center for services ordered.

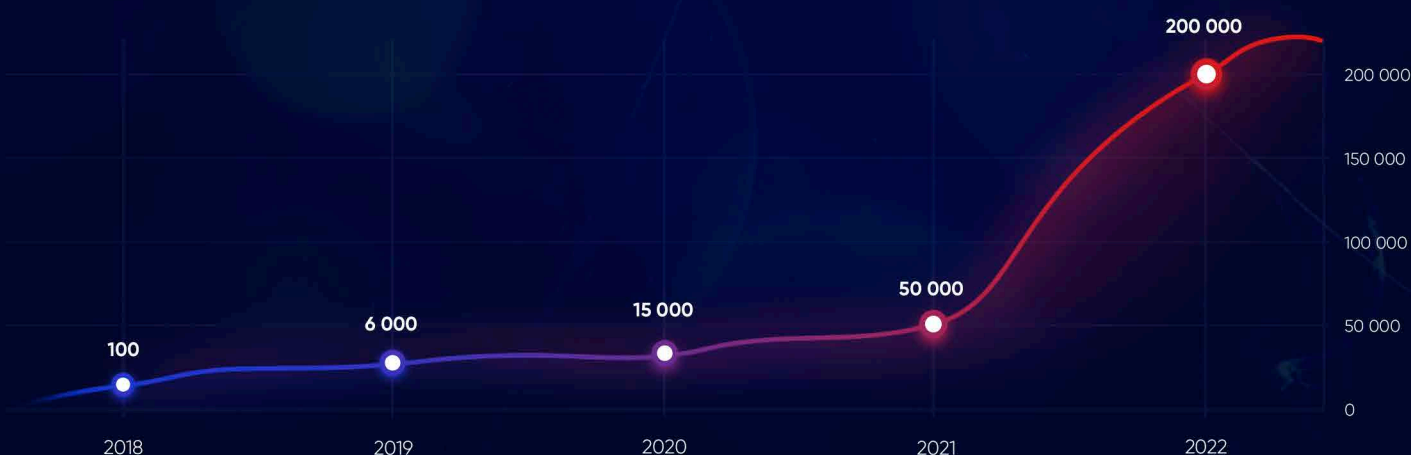

The team of ATLANTICO NETWORK sign contracts with partners who connect our platform to medical centers around the world.

ATLANTICO NETWORK platform is a kind of intermediary that provides a flow of new customers to medical centers, and in turn, medical centers provide a discount on their services which the platform shares with customers. And that's why it becomes beneficial to all participants who use the platform.

To implement and scale the global international platform ATLANTICO NETWORK the team holds an ICO, where it offers its investors to buy tokens on very favorable terms:

1 ATL token = 0,0001 ETH

Token sale starts on July 25, 2018 until October 30, 2018

After the launch of the platform, investors who have bought tokens will be able to receive quarterly dividends, the amount of dividends will be constantly increased due to the platform scaling and the connection of new medical centers.

The more people start using the platform, the more quarterly payments will be made. The team of ATLANTICO NETWORK plans to connect more than 6,000 Medical centers around the world by the end of 2019. During the implementation of this task, investors will receive dividends for 1 ATL token more than \$ 5 per year and the amount of dividends will not depend on changes in the exchange rate of cryptocurrencies.
